More about ICEC:

www.dji.de/icec-e

ICEC ...

- ... observes and analyses framework conditions, reforms and questions of governance in international systems of early childhood education and care
- ... conducts cross-country comparative research and promotes policy transfer in the field of early childhood education and care
- ... supports the international exchange between researchers, policy-makers and professional practitioners
- ... contributes to international panels and networks, such as the OECD and EU

Current research strands are ...

- ... OECD TALIS Starting Strong Survey
- ... social inequality and cultural diversity
- ... quality assurance and development
